

PROVISIONAL RESULTS

TRIAL

14th September 2025 Poles Wood Kelvedon Hatch

Thank you all for coming along today , the rain held off just long enough and only started as we had nearly packed away. While it should have been a sidecar championship no entries were received and with only 5 pre-entered we was never going to have enough observers, so decided to run without observers more as a fun/practice trial, Hopefully you all enjoyed yourselves. Thanks go to everyone who set up, helped and cleared away after the event and finally thank you to the landowner Mr Parrish for the continued use of the land.
