Trial Provisional Results

Poles Wood, Saturday 18th July 2015

Well that seemed to go off rather well , the BBQ went down well and everyone seemed very relaxed and chilled , the weather obviously made it, although it was rather warm to ride. Thanks to everyone who helped picked up a board to observe, or did anything to make the event go off so well. It was good to see a few Electric bikes out there. We will be looking at how to improve and layout sections especially for these bikes at future trials. So once again, Thank you all for your help.
